MEDICAL STATEMENT TO REQUEST SPECIAL MEALS AND/OR ACCOMMODATIONS

The information on this form should be updated to reflect the current medical and/or nutritional needs of the participant. It is recommended to review the form on an annual basis.

The medical statement should include a description of the participant's physical or mental impairment that is sufficient to allow the program operator to understand how it restricts the participant's diet. It should also include an explanation of what must be done to accommodate the disability. If the medical statement is unclear, or lacks sufficient detail, program operators must obtain appropriate clarification so that a proper and safe meal can be provided.
