

About Us

The CAPNEMO Prenatal Program provides early, continuous support and services to promote healthy pregnancies, supportive postpartum care for child and parents, and nurturing and responsive care during infancy.

By participating in the CAPNEMO Prenatal Program, the child will receive high priority eligibility points to obtain an official Early Head Start slot.

Apply Today!

You are eligible if:

- You receive SNAP benefits
- You meet the income guidelines
- Are pregnant

Prenatal Program

CAPNEMO Prenatal Program currently serves the following counties:

Adair
Clark
Knox
Schuyler
Scotland

Program Benefits

Social Support

Our trained Family Advocates will meet with you frequently to ensure you have all information and resources to promote a healthy pregnancy.

Pregnancy Education

Education regarding nutrition, fetal development, oral hygiene, safety, breastfeeding, parenting skills, and postpartum care is provided.

Incentives and Opportunities

Mothers will earn incentives for attending meetings and have the opportunity to earn baby supplies.
